

# **OCCUPATIONAL THERAPY ASSISTANT**

## **Associate of Science**

### **Mandatory Writing Instructions for Admission Essay**

The successful applicant for admission to the Occupational Therapy Assistant Program must write a responsive essay. Topics of the essay will be related to the field of occupational therapy, the student's aptitude toward the field, and what it means to attend a faith-based college. Questions to answer will be chosen at random by the essay proctor.

#### **Essay Requirements:**

- Completed by the applicant on the campus of Florida Hospital College
- Hand written - one to two pages in length
- Correct use of spelling and grammar
- Essays should be completed in two hours
- Arranged through the Center for Academic Achievement (CAA)
- Questions chosen at random by the CAA staff

#### **Essay Evaluation:**

- Essays will be reviewed based on content, spelling, grammar, and organization

Arrangements to come to the Florida Hospital College campus and complete your essay should be made by contacting the Center for Academic Achievement at 407-303-7747 ext.1106413. Students who are unable to come to the Orlando campus, should make arrangements with the CAA to utilize a proctor in their area.
